South Side Academy

Mission Statement

The mission of South Side Academy is to provide a safe, supportive environment in which to develop each student's ability to reach their highest potential academically, achieve good health habits, and gain a positive understanding of social responsibility with self, others, and the community now and in the future. South Side will involve parents and the community to enhance its useful benefits to all students.

Vision Statement

Every student is empowered to excel by removing barriers to success.

Sponsor Statement

Ohio Council of Community Schools (OCCS) uses various methods to evaluate the school's performance including published tests and other academic scores such as the Ohio Department of Education Local Report Card and supporting data. OCCS regional representatives visit our partner schools regularly ensuring compliance with federal, state, and contractual requirements. The results of this monitoring for the 2020-2021 school year are published in the 2020 Ohio Council of Community Schools Annual Report, available after November 30 at www.ohioschools.org

School Grade

School Overview

Districts and schools report information for the Ohio School Report Cards on specific marks of performance, called measures, within broad categories called components. They receive grades for up to 10 measures and six components. *The 2020-2021 report card will not have grades or ratings per Ohio law.*

Achievement

This component represents whether student performance on state tests met established thresholds and how well students performed on tests overall.
